YOUR VOTE IS IMPORTANT. WHETHER OR NOT YOU PLAN TO ATTEND THE SPECIAL MEETING, PLEASE PROMPTLY VOTE YOUR SHARES OVER THE INTERNET, BY TELEPHONE OR BY MAIL.

Who is Entitled to Vote; Vote Required; Quorum

As of the record date of _____, 2020 (the “**Record Date**”), there were _____ shares of Common Stock issued and outstanding; 7,040 shares of Series A Cumulative Redeemable Perpetual Preferred Stock issued and outstanding and 125,000 shares of Series B Convertible Preferred Stock issued and outstanding, which constitute all of the outstanding capital stock of the Company. Stockholders are entitled to one vote for each share of Common Stock held by them. The 125,000 shares of Series B Convertible Preferred Stock carry the voting power of ____% of all votes entitled to be voted at the Special Meeting. The up to 10,000,000 shares of common stock issuable upon exercise of warrants issuable to Esousa will, assuming (i) approval of Proposal 2 and the (ii) the issuance of promissory notes in an aggregate amount of \$2,000,000, carry the voting power of a presently indeterminate percentage of all votes entitled to be voted at any annual or special meeting of stockholders of our Company or action by written consent of our stockholders but will not carry any voting rights at the Special Meeting. The up to 717,241 shares of common stock issuable upon conversion of the note issued to Ault & Company (the “**Ault Note**”) will, assuming approval of Proposal 3, carry the voting power of ____% of all votes entitled to be voted at any annual or special meeting of stockholders of our Company or action by written consent of our stockholders but will not carry any voting rights at the Special Meeting; the figure 717,241 assumes the Ault Note will be converted at maturity, when its principal and interest will amount to \$1,040,000.

A majority of the _____ outstanding shares of Common Stock will constitute a quorum at the Special Meeting.

Brokers holding shares of record for customers generally are not entitled to vote on “non-routine” matters, unless they receive voting instructions from their customers. As used herein, “uninstructed shares” means shares held by a broker who has not received such instructions from its customers on a proposal. A “broker non-vote” occurs when a nominee holding uninstructed shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that non-routine matter. In connection with the treatment of abstentions and broker non-votes, all but one of the proposals at this are considered “non-routine” matters, and brokers are not entitled to vote uninstructed shares with respect to these proposals. Only the proposal to ratify the appointment of Marcum LLP, as the Company’s independent registered public accounting firm, is a routine matter that brokers are entitled to vote upon without receiving instructions.

Determination of whether a matter specified in the Notice of Special Meeting of Stockholders has been approved will be determined as follows:

- For each matter specified in the Notice of Special Meeting of Stockholders, the affirmative vote of a majority of the shares of Common Stock present at the meeting in person or by proxy and entitled to vote on such matter is required for approval. Abstentions will be considered shares present by proxy and entitled to vote and, therefore, will have the effect of a vote against the matter. Broker non-votes will be considered shares not present for this purpose and will have no effect on the outcome of the vote.

Abstentions and broker non-votes will be counted for purposes of determining whether a quorum is present for the Special Meeting.

How do I vote?

Either (1) mail your completed and signed proxy card(s) to DPW Holdings, Inc., 201 Shipyard Way, Newport Beach, CA 92663, Attention: Corporate Secretary, (2) call the toll-free number printed on your proxy card(s) and follow the recorded instructions or (3) visit the website indicated on your proxy card(s) and follow the on-line instructions. If you are a registered stockholder and attend the Special Meeting, then you may deliver your completed proxy card(s) or vote pursuant to the instructions on the proxy card. If your shares are held by your broker or bank, in “street name”, then you will receive a form from your broker or bank seeking instructions as to how your shares should be voted. If you do not instruct your broker or bank how to vote, then your broker or bank will vote your shares if it has discretionary power to vote on a particular matter.

Am I entitled to vote if my shares are held in “street name”?

If your shares are held by a bank, brokerage firm or other nominee, you are considered the “beneficial owner” of shares held in “street name.” If your shares are held in street name, the proxy materials are being made available to you by your bank, brokerage firm or other nominee (the “**record holder**”), along with voting instructions. As the beneficial owner, you have the right to direct your record holder how to vote your shares, and the record holder is required to vote your shares in accordance with your instructions. If you do not give instructions to your record holder, it will nevertheless be entitled to vote your shares in its discretion on the ratification of the appointment of the independent registered public accounting firm (Proposal No. 4), but not on any other proposal.

As the beneficial owner of shares, you are invited to attend the Special Meeting. If you are a beneficial owner, however, you may not vote your shares at the Special Meeting unless you obtain a legal proxy, executed in your favor, from the record holder of your shares.

How many shares must be present to hold the Special Meeting?

A quorum must be present at the meeting for any business to be conducted. The presence at the meeting, (i) by logging in to www.meetingcenter.io/266742656; the password is DPW2020, or (ii) by proxy, of the holders of a majority of the shares of capital stock outstanding on the Record Date will constitute a quorum. Proxies received but marked as abstentions.

What if a quorum is not present at the Special Meeting?

If a quorum is not present or represented at the Special Meeting, the holders of a majority of the shares entitled to vote at the Special Meeting who are present in person or represented by proxy, or the chairman of the meeting, may adjourn the Special Meeting until a quorum is present or represented. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given.

Is there a deadline for submitting proxies electronically or by telephone or mail?

Proxies submitted electronically or by telephone as described above must be received by 11:59 pm PT on June 5, 2020. Proxies submitted by mail should be received before 9:00 a.m. PT on June 8, 2020.

Can I revoke my proxy and change my vote?

You may change your vote at any time prior to the taking of the vote at the meeting. If you are the stockholder of record, you may change your vote by (1) granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above (and until the applicable deadline for each method), (2) providing a written notice of revocation to the Company’s CEO at DPW Holdings, Inc., 201 Shipyard Way, Newport Beach, CA 92663, prior to your shares being voted, or (3) virtually attending the Special Meeting and voting in accordance with the instructions on the proxy card. Attendance at the Special Meeting will not cause your previously granted proxy to be revoked unless you specifically so request. For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your broker, bank, trustee or nominee following the instructions they provided, or, if you have obtained a legal proxy from your broker, bank, trustee or nominee giving you the right to vote your shares, by attending the Special Meeting and voting.

Who can participate in the Special Meeting?

Only stockholders eligible to vote or their authorized representatives in possession of a valid control number will be admitted as participants to the Special Meeting.

Will my vote be kept confidential?

Yes, your vote will be kept confidential and not disclosed to the Company unless:

- required by law;
- you expressly request disclosure on your proxy; or
- there is a proxy contest.

How does the Board of Directors recommend I vote on the proposals?

Our Board recommends that you vote your shares as follows:

- **“FOR”** approval, pursuant to Rule 713 of the NYSE American, of the issuance of shares of the Corporation’s Class A common stock, par value \$0.001 per share (**“Common Stock”**) to Esousa Holdings LLC (**“Esousa”**), in accordance with the Master Exchange Agreement dated February 10, 2020, and the exercise of warrants issued in connection therewith;
- **“FOR”** approval of the exercise of warrants issued or issuable to Esousa to purchase up to an aggregate of 2,000,000 shares of Common Stock, issued in connection with certain term promissory notes in an aggregate amount of up to \$2,000,000; and
- **“FOR”** approval of approve the conversion of a \$1,000,000 Convertible Promissory Note issued on February 5, 2020 (the **“Ault Note”**), to Ault & Company, Inc., which is convertible into 717,241 shares of Common Stock at \$1.45 per share (which figure presumes conversion of principal and accrued but unpaid interest as of August 5, 2020, the maturity date of the Ault Note), in order to comply with the listing rules the NYSE American; and
- **“FOR”** approval of the appointment of Marcum LLP, as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2020; and

Unless you provide other instructions on your proxy card, the persons named as proxy holders on the proxy card will vote in accordance with the recommendations of the Board as set forth in this Proxy Statement.

What if I do not specify how my shares are to be voted?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted in accordance with the Board’s recommended votes set forth immediately above, and if any other matter is properly presented at the Special Meeting, your proxy holder (one of the individuals named on your proxy card) will vote your shares using his best judgment.

Will any other business be conducted at the meeting?

The Company’s bylaws require stockholders to give advance notice of any proposal intended to be presented at the Special Meeting. We have not received any such notices. Accordingly, the Company does not anticipate any additional business will be conducted at the Special Meeting.

How many votes are needed to approve each proposal?

Approval of all matters requires the favorable vote of a majority of the votes cast on the applicable matter at the Special Meeting.

How will abstentions be treated?

Abstentions will be treated as shares present for quorum purposes and entitled to vote, and will have the same practical effect as votes against a proposal.

What are “broker non-votes”?

Broker non-votes occur when a beneficial owner of shares held in “street name” does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed “non-routine.” Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be “routine,” but not with respect to “non-routine” matters. Under the rules and interpretations of the New York Stock Exchange, “non-routine” matters include director elections (whether contested or uncontested) and matters involving a contest or a matter that may substantially affect the rights or privileges of stockholders.

In connection with the treatment of abstentions and broker non-votes, the proposals at this meeting to (i) approve the issuance of shares of Common Stock to Esousa, (ii) approve the exercise of warrants issued or issuable to Esousa to purchase up to an aggregate of 2,000,000 shares of Common Stock and (iii) approve the conversion of a \$1,000,000 Convertible Note convertible into 717,241 shares of Common Stock, are considered “non-routine” matters, and brokers are not entitled to vote uninstructed shares with respect to these proposals. The proposal to ratify the appointment of Marcum, LLP, as the Company’s independent registered public accounting firm is a routine matters that brokers are entitled to vote upon without receiving instructions.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these mailed proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. The Board has engaged _____ to assist in the solicitation of proxies for a fee of \$_____, plus an additional per holder fee for any solicitation of individual holders and reimbursement of out-of-pocket expenses. Directors and employees will not be paid any additional compensation for soliciting proxies but may be reimbursed for out-of-pocket expenses incurred in connection with the solicitation. We will also reimburse brokerage firms, banks and other agents for their reasonable out-of-pocket expenses incurred in forwarding proxy materials to beneficial owners

What does it mean if I receive more than one set of proxy materials?

If you receive more than one set of proxy materials, your shares may be registered in more than one name or in different accounts. Please complete, sign and return each proxy card to ensure that all of your shares are voted.

I share the same address with another stockholder of the Company. Why has our household only received one set of proxy materials?

The rules of the Securities and Exchange Commission’s (“SEC”) permit us to deliver a single set of proxy materials to one address shared by two or more of our stockholders. This practice, known as “householding,” is intended to reduce the Company’s printing and postage costs. We have delivered only one set of proxy materials to stockholders who hold their shares through a bank, broker or other holder of record and share a single address, unless we received contrary instructions from any stockholder at that address.

How can I find out the results of the voting at the Special Meeting?

Final voting results will be disclosed in a Form 8-K filed after the Special Meeting.

We are asking our stockholders to approve the issuance of up to 26,637,684 shares of our Common Stock to Esousa pursuant to, and upon the terms and subject to the conditions set forth in, the Master Exchange Agreement, dated February 10, 2020 (the “**Exchange Agreement**”), between the Company and Esousa, an entity that acquired approximately \$4.2 million dollars in principal amount, plus accrued but unpaid interest, of certain promissory notes that had been previously issued by the Company to Dominion Capital, LLC, a Connecticut limited liability company (the “**Dominion Note**”), and the Canadian Special Opportunity Fund, LP (the “**CSOF Note**” and with the Dominion Note, the “**Purchased Notes**”) in separate transactions. Esousa also agreed to purchase additional notes up to an additional principal amount, plus accrued but unpaid interest, of \$3.5 million (the “**Additional Notes**” and collectively, with the Purchased Notes, the “**Notes**”), prior to the second pricing period discussed below (the “**Second Purchase**”). Pursuant to the Exchange Agreement, Esousa has the unilateral right to acquire, among other things set forth therein, shares of the Company’s Common Stock (the “**Exchange Shares**”) in exchange for the Notes, which Notes evidence an aggregate of up to approximately \$7.7 million of indebtedness of the Company. The Exchange Agreement also provides that we may issue shares to Esousa to the extent that after giving effect to such issuance, Esousa would not beneficially own in excess of a maximum percentage of 4.99% of the Common Stock (the “**Maximum Percentage**”), as such Maximum Percentage may be adjusted. In addition, we may not issue additional shares to Esousa which would exceed 19.9% of the total number of shares of Common Stock outstanding as of the date of the Exchange Agreement (or 861,580 shares) unless we have obtained stockholder approval of the issuance of more than such number of shares in exchange for the Additional Notes, as required by Rule 713(a)(ii) of the NYSE Company Guide, and subsequently, authorization from the NYSE American (together, the “**Required Approvals**”). Esousa also received warrants to purchase 1,832,597 shares of Common Stock (the “**Purchase Warrant**”) at an exercise price equal to \$1.43 per share of Common Stock, and the exercise of the Warrant is also subject to the Maximum Percentage.

We are seeking stockholder approval for the issuance of shares in excess of 19.9% of the total number of shares of Common Stock outstanding as of the date of the Exchange Agreement. If this Proposal is not approved by our stockholders, the Company will not be able to issue additional shares to Esousa under the Exchange Agreement, and the Company anticipates it would need to seek alternative methods of repaying the promissory notes underlying the Exchange Agreement, which may include additional transactions with Esousa. Ault & Company, Inc. whose Chief Executive Officer is Milton C. Ault, the Company’s Chief Executive Officer and Chairman of the Board, has entered into a voting agreement with Esousa pursuant to which it has agreed to vote its shares in favor of this Proposal 1.

Overview of Exchange Agreement

On February 10, 2020, the Company entered into the Exchange Agreement with Esousa. Pursuant to the Exchange Agreement, Esousa has the unilateral right to acquire the Exchange Shares. Subsequent to the effective date of the Exchange Agreement, Esousa exchanged a portion of the Dominion Note for a limited number of Exchange Shares (the “**Initial Exchange**”), and the second exchange (the “**Second Exchange**” and together with the Initial Exchange, the “**Exchange**”) shall occur if, within sixty days after the Initial Exchange, the Company receives the Required Approvals.

The Exchange Agreement provides for two pricing periods (each a “**Pricing Period**”), the first of which shall commence after the date on which Esousa receives the Exchange Shares pursuant to the Initial Exchange and ending on the date that is 90 days after such receipt thereof, subject to extension as provided for in the Exchange Agreement, and the second of which shall commence on the date on which Esousa receives the Exchange Shares pursuant to the Second Exchange and ending on the date that is 90 days after such receipt thereof, in either case, unless earlier terminated by Esousa by written notice.

During each pricing period, Esousa will have the unilateral right to exchange the Notes for shares of the Company’s Common Stock, or the Exchange Shares. The number of shares to be issued upon each Exchange will be equal to (x) the principal and accrued but unpaid interest due on the Notes being exchanged multiplied by 1.35, divided by (y) the closing bid price effective on each date of an exchange notice pursuant to Section 3(a)(9) of the Securities Act of 1933, as amended (the “**Securities Act**”), provided, however, that the Company shall theretofore have obtained the Required Approvals (the “**Exchange Price**”). The total number of shares of the Company’s Common Stock to be issued to Esousa in connection with the applicable Exchange shall be adjusted on the business day immediately following the Pricing Period based upon the volume weighted average price (“**VWAP**”) of the Company’s Common Stock over the applicable Pricing Period (the “**VWAP Shares**”). VWAP Shares means the number of shares determined by dividing (x) the Exchange Amount of the applicable Exchange, multiplied by 1.1, by (y) the greater of (I) seventy-five percent (75.0%) of the VWAP of the Company’s Common Stock over the applicable Pricing Period, or (II) \$0.30 per share.

As a result of the Initial Exchange, Esousa acquired the Purchased Notes under the Exchange Agreement in exchange for approximately \$4.2 million. The Second Exchange for the remaining Notes in the approximate amount of \$3.5 million will occur promptly following obtaining the Required Approvals. If our stockholders do not approve this Proposal 1, neither the second Pricing Period nor the Second Exchange will occur.

Esousa does not have the right to exchange Notes for shares of our Common Stock to the extent that following such exchange Esousa would beneficially own in excess of 4.9% of our Common Stock, of the Maximum Percentage, as determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended. In addition, under no circumstances may the aggregate number of shares of Common Stock issued to Esousa in connection with the exchange of the Notes at any time exceed 861,580 shares, which is equal to 19.9% of the total number of shares of our Common Stock outstanding as of the date of the Exchange Agreement, unless we have obtained stockholder approval of the issuance of more than such number of shares pursuant to Rule 713 of the NYSE American.

In connection with the Exchange Agreement, the Company also issued to Esousa the Purchase Warrant to purchase shares of the Company's Common Stock equal to (i) the amount of the Additional Notes, multiplied by 0.83, and divided by (ii) the closing bid price of the Company's Common Stock as of the date immediately prior to the Initial Exchange, or \$1.30. The Purchase Warrant shall be exercisable, commencing on the date upon which the Company's receives the Required Approvals thereof, for the exercise price of one hundred ten percent (110%) of the closing bid price of the Company's Common Stock as of the date immediately prior to the Initial Exchange, or \$1.43. In connection therewith, the Company has agreed to file a registration statement to register the sale of the shares of Common Stock underlying the exercise of the Purchase Warrant by Esousa pursuant to the Exchange Agreement. In the event that Esousa does not purchase all of the Additional Notes, the Company shall have the option to acquire a portion of the Purchase Warrants from Esousa for an aggregate price of \$1.00. The Purchase Warrant may be exercised for cash. Upon the failure by the Company to maintain an effective registration statement as set forth in the Exchange Agreement, the Company shall incur penalties for each month that the SEC fails to declare such registration statement effective.

The shares issued under the Exchange Agreement have been or will be issued pursuant to the exemption from registration set forth in Section 3(a)(9) of the Securities Act, which permits an issuer to exchange new securities for existing securities exclusively where no commission or other remuneration is paid or given directly or indirectly for soliciting such exchange.

The Exchange Agreement contains customary representations, warranties and covenants by the parties. Among other covenants, neither the Company nor any of its subsidiaries may, directly or indirectly, issue any equity security or any equity-linked or related security until 30 days after the date of the Second Exchange. In the event there is no Second Exchange, such restriction shall lapse 30 days after the end of the Pricing Period applicable to the Initial Exchange. Moreover, during the period commencing on the date of the Exchange Agreement and ending on the later of (i) 10 calendar days after the end of the Pricing Period or (ii) such time as when all of the Notes have been exchanged or repaid, the Company may not directly or indirectly issue equity or debt securities of the Company to a party in exchange for outstanding equity or debt securities in one or more transactions carried out pursuant to Section 3(a)(9) or Section 3(a)(10) of the Securities Act, unless the Company has received prior written consent from Esousa. In addition, the Company has agreed to indemnify Esousa and its affiliates for material misstatements or breaches of its obligations under the Exchange Agreement.

A copy of the Exchange Agreement is attached as Exhibit 10.1 to the Company's Current Report on Form 8-K filed with the SEC on February 10, 2020.

Stockholder Approval Requirement

As noted above, the Exchange Agreement provides that the number of shares to be issued to Esousa is initially limited to 19.9% of the total number of shares of Common Stock outstanding as of the date of the Exchange Agreement until such time as the stockholders of the Company approve the issuance of additional shares, which include the shares underlying the Purchase Warrant. We have agreed to promptly seek such stockholder approval and are seeking such approval at the Special Meeting.

Rule 713 of the NYSE American requires stockholder approval of a transaction, other than a public offering, involving the sale, issuance or potential issuance by an issuer of Common Stock (or securities convertible into or exercisable for Common Stock) at a price less than the greater of book or market value which together with sales by officers, directors or principal stockholders of the issuer equals 20% or more of presently outstanding Common Stock, or equal to 20% or more of presently outstanding stock for less than the greater of book or market value of the stock, or when the issuance or potential issuance of additional shares will result in a change of control of the issuer. Stockholder approval of this Proposal 1 will constitute stockholder approval for purposes of Rule 713 of the NYSE American.

We are seeking stockholder approval for the issuance of up to 26,637,684 shares of our Common Stock to Esousa in connection with the exchange of the Notes and the exercise of the Purchase Warrant. We will seek additional stockholder approval before issuing shares in excess of that number.

If our stockholders do not approve this Proposal, the Company will need to find alternative means of refinancing or extending the Notes, and the Company may not be successful in such efforts. If the Company is unable to refinance or extend the Notes, the Company may default on the Notes, which would materially adversely affect the Company and could result in severe curtailment of the Company's activities and the insolvency of the Company.

Our stockholders are not entitled to dissenters' rights with respect to this Proposal, and we will not independently provide stockholders with any such right.

Reasons for Transaction

After considering various alternative transactions, including potential capital raises and extensions of or refinancing the Notes, the Board of Directors determined that the Exchange Agreement with Esousa is in the best interests of the Company and its stockholders because it permits the Company to issue equity in exchange for the \$7,700,000 due under the Notes.

The Exchange Agreement eliminates debt in which the Company was in default and the Company believes the impact of the Exchange Agreement should also improve the Company's financial results by reducing the Company's borrowing costs and enabling management to focus on growing the Company's business, which was challenging in light of the constraints under the Company's prior debt agreements.

Effect on Current Stockholders; Dilution

The Exchange Agreement does not affect the rights of the holders of outstanding Common Stock, but the issuance of shares to Esousa pursuant to the terms of the Exchange Agreement will have a dilutive effect on our existing stockholders, including the voting power and the economic rights of the existing stockholders. If we were to have issued Esousa all 861,580 shares which it may acquire absent stockholder approval, Esousa would have acquired approximately ____% of the _____ shares that would then have been outstanding as of the Record Date.

The availability for sale of a large amount of shares by Esousa may depress the market price of our Common Stock and, going forward, may impair our ability to raise additional capital through the public sale of our Common Stock. We do not have any arrangement with Esousa to address the possible effect on the price of our Common Stock of the sale by Esousa of its shares.

As noted above, the Exchange Agreement provides that the Company shall not issue, and Esousa shall not acquire, any shares of our Common Stock under the Exchange Agreement if such shares proposed to be issued and sold, when aggregated with all other shares of our Common Stock then owned beneficially (as calculated pursuant to Section 13(d) of the Securities Exchange Act of 1934, as amended) by Esousa and its affiliates, would result in the beneficial ownership by Esousa and its affiliates in excess of the Maximum Percentage. This beneficial ownership limitation limits the number of shares Esousa may beneficially own at any one time to 4.9% of our outstanding Common Stock. Consequently, the number of shares Esousa may beneficially own in compliance with the beneficial ownership limitation may increase over time as the number of outstanding shares of our Common Stock increases over time. Esousa may sell some or all of the shares it acquires under the Exchange Agreement, subject to Esousa's compliance with the Securities Act and applicable state law. Even though Esousa's beneficial ownership of our Common Stock is subject to the Maximum Percentage, Esousa may be in a position to exert influence over the Company and there is no guarantee that the interests of Esousa will align with the interests of other stockholders.

Required Vote and Board Recommendation

The issuance of shares to Esousa requires the receipt of the affirmative vote of a majority of the shares of the Company's Common Stock present in person or by proxy and voting at the Special Meeting.

The Board unanimously recommends a vote "FOR" the approval of the issuance of shares of Common Stock to Esousa in order to comply with Rule 713 of the NYSE American.

PROPOSAL NO. 2

APPROVAL OF THE EXERCISE OF WARRANTS TO PURCHASE UP TO 2,000,000 SHARES OF COMMON STOCK IN ORDER TO COMPLY WITH RULE 713 OF THE NYSE AMERICAN

Terms of the Transaction

The Company may issue one or more 12% Secured Promissory Term Notes (the “**Esousa Notes**”) to Esousa Holdings, LLC (“**Esousa**”) before the date of the Special Meeting in an aggregate amount of up to \$2,000,000 and will in no event issue any such notes beyond June 29, 2020, which is 90 days from the date of the Special Meeting. In connection with issuance any such Esousa Notes, the Company has agreed to issue Esousa warrants to purchase that number of shares of Common Stock equal to the principal amount of the aggregate amount of the Esousa Notes divided by the closing market price of the shares of Common Stock on the date that a particular Esousa Note was purchased, subject to a floor of \$1.00.

Description of the Warrants

Esousa will in connection with the purchase of the Esousa Notes be issued the warrants described above (the “**Esousa Warrants**”) to purchase that number of shares of Common Stock equal to the principal amount of the aggregate amount of the Esousa Notes divided by the closing market price of the shares of Common Stock on the date that a particular Esousa Note was purchased, subject to a floor of \$1.00. The Esousa Warrants will be exercisable at a price equal to 110% of the closing market price of the shares of Common Stock on the date that a particular Esousa Note was purchased and be exercisable for a period of five years from their issuance date. The exercise price of the Esousa Warrants shall be subject to adjustment for customary stock splits, stock dividends, combinations or similar events. The Company intend to use any proceeds it may receive from the exercise of the Esousa Warrants for general working capital purposes.

Why the Company Needs Stockholder Approval

Rule 713 of the NYSE American requires stockholder approval of a transaction, other than a public offering, involving the sale, issuance or potential issuance by an issuer of Common Stock (or securities convertible into or exercisable for Common Stock) at a price less than the greater of book or market value which together with sales by officers, directors or principal stockholders of the issuer equals 20% or more of presently outstanding Common Stock, or equal to 20% or more of presently outstanding stock for less than the greater of book or market value of the stock, or when the issuance or potential issuance of additional shares will result in a change of control of the issuer. The exercise price of the Esousa Warrants will be lower than the market price of our Common Stock on the issuance dates of the Esousa Notes and may be lower than the market price upon exercise. Accordingly, Esousa is prohibited from exercising the Esousa Warrants and receiving shares of our Common Stock unless stockholder approval is obtained for the Esousa Warrants.

Effect of Proposal on Current Stockholders

If this Proposal No. 2 is adopted, up to 2,000,000 shares of Common Stock would be issuable. Based on the number of shares of Common Stock outstanding as of the Record Date, such shares would represent 28.80% of our total outstanding shares (giving effect to such issuance). The issuance of such shares may result in significant dilution to our stockholders and afford them a smaller percentage interest in the voting power, liquidation value and aggregate book value of the Company. The sale or any resale of the Common Stock issued upon exercise of the Esousa Warrants could cause the market price of our Common Stock to decline as well as result in substantial dilution to other stockholders since Esousa may ultimately exercise and sell the full amount issuable on exercise. This means that our current stockholders will own a smaller interest in our Company and will have less ability to influence significant corporate decisions requiring stockholder approval.

Required Vote and Board Recommendation

The exercise of the Esousa Warrants requires the receipt of the affirmative vote of a majority of the shares of the Company’s Common Stock present in person or by proxy and voting at the Special Meeting.

The Board unanimously recommends a vote “FOR” the approval issuance of Common Stock upon of the exercise the Esousa Warrants for up to 2,000,000 shares of Common Stock in order to comply with Rule 713 of the NYSE American.

PROPOSAL NO. 3

APPROVAL OF THE CONVERSION OF A \$1,000,000 CONVERTIBLE PROMISSORY NOTE INTO 717,241 SHARES OF COMMON STOCK IN ORDER TO COMPLY WITH RULE 713 OF THE NYSE AMERICAN

Terms of the Transaction

On February 5, 2020, we sold an 8% Convertible Promissory Note (the “**Ault Note**”) to Ault & Company. As described further below, the principal of the Ault Note may be converted into shares of Common Stock at a conversion price of \$1.45 per share.

The Ault Note is in the principal amount of \$1,000,000 and was sold for \$1,000,000, bears interest at 8% simple interest on the principal amount, and is due on August 5, 2020 (the “**Maturity Date**”). The principal and accrued interest thereon may be converted into our shares of Common Stock at \$1.45 per share. Commencing on the date that the approval of the Company’s stockholders of this Proposal is obtained, as required by Rule 713(a)(ii) of the NYSE Company Guide, Ault & Company may convert the principal amount of the Ault Note at any time into Common Stock. The conversion price of the Ault Note is subject to adjustment for customary stock splits, stock dividends, combinations or similar events. Assuming the Ault Note is converted into shares of Common Stock on the Maturity Date, we would issue to Ault & Company a number of shares of Common Stock equal to \$1,000,000 in principal plus interest of \$40,000 divided by \$1.45, or 717,241 such shares.

Why the Company Needs Stockholder Approval

Rule 713 of the NYSE American requires stockholder approval of a transaction, other than a public offering, involving the sale, issuance or potential issuance by an issuer of Common Stock (or securities convertible into or exercisable for Common Stock) at a price less than the greater of book or market value which together with sales by officers, directors or principal stockholders of the issuer equals 20% or more of presently outstanding Common Stock, or equal to 20% or more of presently outstanding stock for less than the greater of book or market value of the stock, or when the issuance or potential issuance of additional shares will result in a change of control of the issuer. The initial conversion price of the Ault Note was equal to the market price of our Common Stock on the day immediately prior to execution date of the Ault Note. Accordingly, Ault & Company is prohibited from converting the Ault Note and receiving shares of our Common Stock unless stockholder approval is obtained for the Ault Note.

Effect of Proposal on Current Stockholders

If this Proposal No. 3 is adopted, based on the conversion of the Ault Note, up to 717,241 shares of Common Stock would be issuable. Based on the number of shares of Common Stock outstanding as of the Record Date, such shares would represent 12.67% of our total outstanding shares (giving effect to such issuance). The issuance of such shares may result in significant dilution to our stockholders and afford them a smaller percentage interest in the voting power, liquidation value and aggregate book value of the Company. The sale or any resale of the Common Stock issued upon conversion of the Ault Note could cause the market price of our Common Stock to decline as well as result in substantial dilution to other stockholders since Ault & Company may ultimately convert and sell the full amount issuable on conversion and exercise. This means that our current stockholders will own a smaller interest in our Company and will have less ability to influence significant corporate decisions requiring stockholder approval.

Further Information.

The terms of the Ault Note are complex and only briefly summarized above. For further information, please refer to the descriptions contained in the Company’s Current Report on Form 8-K filed with the SEC on February 6, 2020, and the transaction documents filed as exhibits to such report. The discussion herein is qualified in its entirety by reference to such filed transaction documents.

Required Vote and Board Recommendation

The conversion of the Ault Note requires the receipt of the affirmative vote of a majority of the shares of the Company’s Common Stock present in person or by proxy and voting at the Special Meeting.

The Board unanimously recommends a vote “FOR” the approval issuance of 717,241 shares of Common Stock upon of the conversion of the Ault Note in order to comply with Rule 713 of the NYSE American.
